

Get what you Need and Give to a Great Cause!

From July 23rd through August 30th, 2010

100% of the proceeds from all Peel-N-Go Labels purchased will be donated to a charity benefiting Service Men and Women who are wounded in action.

SmartWire Peel-N-Go Labels

- » Peel-N-Go Labels come attached to the front of your RackPack™ or MegaPack™ boxes ... providing quick and easy access with no sheets of labels to get lost.
- » Windy City Wire can pre print the labels per your project specs or if you prefer, you can hand write the labels as you make your pulls.
- » Increases productivity and safety
- » Available exclusively at Windy City Wire!

Yet another benefit making the RackPack Field Systems Solution the best cable management solution in the industry!

Preprinted labels are ready to go when you start the job.

Hand writing the labels allows for on-the-fly customizing, if needed.

Contact a sales person for more information at **1.800.379.1191** or visit www.smartwire.com to view HD videos of the labels being used in the field!
